1. Who are you? Really think about this. Who are you at your core? You can talk about your interests, your personality, your background, your hopes and dreams—but even beyond all these, what really makes you YOU?
2. Why do you want to be a part of Movimiento? What parts of the program are you most interested in and why? (e.g., leadership, travel, outdoor trips, arts, learning to start your own business or project, etc.)
3. Do you have a vision for a particular project, organization, or business you would like to create? If so, please describe what you would like to do.
4. What are some of your skills and virtues? *Everyone* has these. They might include: listening, speaking more than one language, organizing, sports, being a good friend, patience, courage, reflection, etc.
5. What are some of your biggest personal challenges?
6. Can you commit at least one weekend per month to Movimiento trainings?
7. Is there anything else you want to say?
